Max. perm. operating pressure	10 bar
Outlet pressure	0.0 - 6.5 bar
Inlet/outlet connection	1/2" / 15 mm
Overflow connection	21,5 mm
Electric connection	230V/50Hz
Max. electrical rated power	0.71 kW
Height	628 mm
Width	460 mm
Depth	303 mm
Weight	37.50 kg

Description

Fillcontrol Auto Plus 2/60

Compact make-up system with 2 pumps consisting of 18 litre break tank as a system separator for connection to drinking water networks and control unit for controlling and regulating the entire unit.

Pressure-controlled, controlled make-up water feed and filling function for initial filling and refilling. Type A-A system separator enables direct connection of the compact system to drinking and fresh water networks. Fully assembled and wired.
