

Fillset Standard, fitting for water make-up from potable water systems

Article number: 6813100

Features

Type	Standard
Max. perm. operating temperature	65 °C
Max. perm. operating pressure	10 bar
Pressure loss at 5l/min	0,9 bar
Inlet/outlet connection	R 1/2" / R 1/2"
Height	170 mm
Height including pressure reducer	204 mm
Width	236 mm
Installation length	236 mm
Depth	128 mm
Weight	1,70 kg

Description

Fillset Standard

Fitting for direct connection of make-up devices for heating and cold water systems to potable water systems. Featuring in detail:

- Shut-off ball valve fittings with motor mount for Fillset Safecontrol for automatically controlled water make-up/li>
