

Air separator LA 150, grey, 10 bar

Article number: 8678000

Thinking solutions.

Features

Type	LA 150
Colour	grey
Housing material	painted steel
Number of sleeves	2 St.
Operating temperature	110 °C
Operating pressure	10 bar
Connection	DN150/PN16
Vent connection	Rp 3/8"
Connection variant	welded connector
Diameter	409 mm
Width	550 mm
Installation length	590 mm
Weight	12,90 kg

Description

Air Separator

Cylindrical tube expansion for reducing the flow velocity in the fluid flow in deep-drawn steel plate design. For installation in horizontally routed pipe sections, with weld-on connectors, externally coated and threaded connection at the high point for air pipe or quick-action air vent valve.
