motorized ball valve Safecontrol Rp 1/2" as conversion kit for make-up

Article number: 9119352

Thinking solutions.

Features

Type	Safecontrol
Operating temperature	120 °C
Operating pressure	25 bar
Connection	Rp 1/2"
Weight	0.97 kg

Description

Safecontrol
Motor ball valve as conversion kit for water make-up in conjunction with Servitec and Variomat.

Actuation takes place directly from the control unit. The dirt-resistant motor ball valve is spring-closed without any need for an electrical supply.

Hydraulic and electrical connections must be made on-site.
