

# Longtherm Protect RHB-110-70 from EPP

Article number: 8147600

## Features

|                                    |             |
|------------------------------------|-------------|
| Type                               | RHB-110-70  |
| Colour                             | black       |
| Insulation strength                | 25 mm       |
| Insulation material                | EPP         |
| Outer material                     | EPP         |
| Suitable for max. number of plates | 70 St.      |
| Thermal conductivity at 10°C       | 0,037 W/m*K |
| Thermal conductivity at 40°C       | 0,035 W/m*K |
| Operating temperature              | 110         |
| Height                             | 282 mm      |
| Width                              | 244 mm      |
| Depth                              | 673 mm      |
| Weight                             | 0,54 kg     |

## Description

Longtherm protect EPP

Thermal insulation comprising four stable, easy-to-install EPP shell elements in combination with frame elements for optimal matching of the plate variety, the elements being joined together by a sturdy clamping mechanism.
